

**Swedish Hospital
Financial Assistance Policy
Exhibit 1 - Provider/Physician List
Effective Date: January 1, 2021**

Consistent with Swedish Hospital's values of compassion and stewardship, it is the policy of Swedish Hospital to provide financial assistance to patients in need. The Financial Assistance Policy (FAP) applies to all emergency or medically necessary care provided by the hospital, but is not binding upon other individual providers (e.g., physicians) of medical services outside of the hospital. Nor is it binding on a provider, such as but not limited to, a change in their employment relationship with Swedish Hospital or a change in their scope of practice. Therefore, because the physicians and other providers included on this list may change from time to time, Swedish Hospital will update and post a new version on its website (www.swedishcovenant.org/for-patients-and-visitors/pay-your-bill/hospital-financial-assistance-policy) at least quarterly.

All Swedish Hospital Medical Group physicians/providers are covered under the Swedish Hospital FAP. Below is a list of the independent/non-employed providers that deliver emergency or other medically necessary care in Swedish Hospital hospital facilities that are not covered under this policy. Copies of this listing are available online at www.swedishcovenant.org/for-patients-and-visitors/pay-your-bill/hospital-financial-assistance-policy or upon request in the emergency department and hospital registration areas and by mail by calling (773) 989-3841.
