MORE THAN 50 PARTNERSHIPS, INCLUDING KEY ONSITE PARTNERS
- Lurie Children’s pediatric hospitalists are always on campus, neonatologists round daily and are on call 24/7 and specialists are in our pediatric practice.
- Erie Family Health Center provides health services for those in need as an FQHC and serves as the clinical training site for SCH family medicine and internal medicine residency programs.
- Lutheran Social Services of Illinois provides mental health and substance abuse treatment via the Welcoming Center and Project Impact.
- Seasons Hospice and Palliative Care’s inpatient hospice center on our campus offers a comfortable environment where families can visit their loved ones while their symptoms and pain are carefully managed. It is the only center of its kind on the north side of Chicago.

MULTICULTURALISM
- Full-time Spanish language interpreters.
- Staff speaks more than 40 languages.
- Telephone translation of more than 240 languages, including sign language via video remote interpretation

IN THE COMMUNITY

More than 50% of SCH employees live within five miles of the hospital, contributing to the economic vitality of local neighborhoods.

Community Health Needs Assessment conducted every three years helps to prioritize programs and outreach.

Community Ambassador Program features SCH employees who are active in the community to further strengthen partnerships, outreach and awareness.
