COVID-19 TESTING

Call our Help Line at 773-907-7700* to assess your COVID-19 related symptoms.

If you have any of the following symptoms** please call to be assessed. Your results will be evaluated by a Swedish Hospital clinical expert, who may recommend testing.

- Fever >100° F
- Cough
- Congestion
- Sore throat
- Runny nose
- Shortness of breath
- Headache
- Diarrhea
- Loss of appetite
- Loss or decrease of smell or taste
- Muscle aches with flu-like symptoms
- Chills or shaking chills
- Nausea
- Gastrointestinal issues

Testing at Swedish Hospital will come at no cost to patients. Uninsured will be offered free testing and follow up care will be managed through our financial assistance and charity program. Those who are insured will not be responsible for any out-of-pocket costs related to being tested for COVID-19.

If you have had contact with a person confirmed or tested for COVID-19, call the help line today.

For information about COVID-19, safety behaviors and prevention, please visit [SwedishCovenant.org/covid](https://www.SwedishCovenant.org/covid) or the [Centers for Disease Control website](https://www.cdc.gov).

If your symptoms are worsening or you think you need emergency services, call 911 immediately.

The purpose of drive-through is purely to test for COVID19. Drive-through testing does not replace the need for professional evaluation of symptoms. Please continue to discuss symptoms with your primary care provider for further management or contact Swedish to establish care with a new primary care provider at [SwedishCovenant.org/findapcp](https://www.SwedishCovenant.org/findapcp).
