Swedish Hospital Financial Assistance Policy Exhibit 1 - Provider/Physician List October 1, 2024

Consistent with Endeavor Health's values of compassion and stewardship, it is the policy of Endeavor Health to provide financial assistance to patients in need. The Financial Assistance Policy (FAP) applies to all emergency or medically necessary care provided by the hospital, but is not binding upon other individual providers (e.g., physicians) of medical services outside of the hospital. Nor is it binding on a provider, such as but not limited to, a change in their employment relationship with Endeavor Health or a change in their scope of practice. Therefore, because the physicians and other providers included on this list may change from time to time, Endeavor Health will update and post a new version on its website (swedishcovenant.org/for-patients-and-visitors/pay-your-bill/financial-assistance) at least quarterly.

All Swedish Hospital Medical Group physicians/providers are covered under the Endeavor Health FAP. Below is a list of the independent/non-employed providers that deliver emergency or other medically necessary care in Swedish Hospital hospital facilities that are <u>not</u> covered under this policy. Copies of this listing are available online at swedishcovenant.org/for-patients-and-visitors/pay-your-bill/financialassistance or upon request in the emergency department and hospital registration areas and by mail by calling (773) 989-3841.
